I have a contract with Jimmy Lewis to do extensive work on my home at 1801 9th St. Lake Charles, LA, 70601. He started in the last week of May. Everything was bought for my home, except carpet and kitchen flooring. I had receipts, in which he stole all. I have receipts from Lowes.

Mr. Lewis left my home in a total disaster, my furniture is ruin due to his mishandling.

Mr. Lewis, bought the material on my account at Lowes, that was already paid for and lots more. He took a drantage of me because I was very ill. He was paid 6,800. Material 24,700.00
